

The Occupier

22nd March 2024

Dear Resident

RE: Protecting local green spaces

Fairford Town Council is preparing a response to the Cotswold District Local Plan Consultation. As part of that consultation, we have been asked to put forward small green spaces for designation as Local Green Spaces and therefore giving the areas a higher degree of protection against future development (please be assured that there are no plans for developing on this site that we are aware of). Fairford Town Council is keen to protect the important green spaces in the Town and so is seeking your views on the green space near your home. In this case: the green at the end of Park Close that borders Queensfield.

We would like to be able to show evidence to Cotswold District Council of just how important these spaces are for local residents. So, we are asking for your views on this space. Enclosed is a brief questionnaire, and we would appreciate it if you could fill it in and put through the side door at the Community Centre or email us with your views. The response deadline is Wednesday 3rd April.

Very best wishes

Cllr Richard Harrison
Chair, Planning Committee
