I would like to nominate Adam Sloman for Fairford Citizen of the Year.

Adam has made an extraordinary impact on the lives of hundreds of local children. Through his dedication and leadership, he has created an environment where young people feel supported, encouraged, and valued. Nothing is ever too much trouble.

His commitment goes far beyond what could ever be expected. He consistently puts the kids first, giving his time, energy, and resources to ensure opportunities are available to all. Thanks to Adam, the club is not just a place to go, but a place where children can thrive.

He is, quite simply, a local legend and thoroughly deserving of this award.

Dear Fairford Town Clerks

As a member of Fairford's Business Connect I would like to make a nomination to Fairford Citizen of the year.

Apologies, I might be late in submitting this application, but I would like to nominate Adam Sloman, Chairman of Fairford Youth Football Club for the citizen of the year award.

The reasons:

1. His role in leading a vibrant and successful youth football club for the town, enhancing the lives of the next generation through sport and team work
2. His continued contribution to supporting the fundraising and securing the Farmors Community Multisport All-weather Pitch that will become a significant asset for the town of all ages
3. His per suite of increasing diversity in sport by attracting more girls/women into the game, helping the senior generation access walking football and supporting disability football. He also is aiming to establish a ladies football team to help those who are interested in the support to try but also allowing for local ladies to continue the support locally as there is no provision currently.

He is a local business man, with children at Farmors school and the family actively contribute to local events, fundraising and charitable activities.

The following is a recent article of his contribution to Fairford:

[Fairford Citizen of the year award.](#)

I hope you will consider this in the nominations and look forward to hearing more about the nominations when they are announced.

Many thanks for supporting this local recognition.

Kind Regards

Dear all

I'd like to nominate Adam Sloman for his contribution to Fairford youth football club as chairperson and coach.

Adam contributes hugely to the running of the club beyond the football, emptying bins, cooking bacon, putting out the comers on the road and cleaning the toilets!

He has also been a driving force with the Farmors pitch in project.

Although not from Fairford it has been home for the last 11 years, and volunteering at Tue club has helped forge friendships and connections into the community.

Adam puts the nearly 300 children registered at the club at the forefront of all decisions and prides the grassroots club as being inclusive and for everyone within the community regardless of ability.

I think he is a worthy candidate

Dear Selection Committee,

I am writing to nominate Adam Sloman for the Fairford Citizen of the Year Award.

Adam is a dedicated volunteer at the local football club, where he plays a vital role in managing the club. He gives his time generously to ensure everything runs smoothly, supporting young players and creating a positive, inclusive environment for the whole community.

Through his leadership and commitment, he has helped provide children with the opportunity to enjoy sport, build confidence, and be part of a team. His efforts go far beyond what is expected, and his impact is felt by both the players and their families.

I strongly believe Adam is a deserving recipient of this award and truly represents the spirit of community in Fairford.

Thank you for your time and consideration.

Kind regards,

Ioana Szabo

Hi

I would like to nominate Adam Sloman for all his services at Fairford Youth Football Club. Along with his family Adam supports many aspects of community work around Fairford but especially at the football club which is a wonderful place to be now, thriving and on the brink of achieving the all weather pitches for the town along with Farmors. He is an incredible chairman that encourages participation of us volunteers but making it welcoming and supportive. He has been instrumental in providing fantastic opportunities for my own children.

Kind regards

To whom it may concern

Please take this as mine and my wife's official request to vote ADAM SLOMAN for Fairford citizen of the year award. (2 VOTES)

Adam is the chairman of Fairford youth football club. Without this gentleman my children along with 300+ others would not get to enjoy a reliable, friendly and well run activity each week.

He selflessly spends hours upon hours each week volunteering to put the club in a position in which it can help the kids feel part of something special along with providing them with kits, equipment and generating funding through events and tournaments in which every single penny is either invested back into the children, the club or the local schools projects (Farners 4G pitch).

To sacrifice the time and effort he has to give the children the things they have is beyond rewardable but deserves nothing but respect and a show of appreciation the man has never once asked for.

I hope this vote is one of thousands for this man as it nothing short of what he deserves.

Many thanks and Kind regards
